

A hand-drawn diagram on a grid background. It shows a corner of a square with solid lines. A dashed line starts from the bottom-left corner and curves upwards and to the right, ending at a football. A dashed circle is drawn around the bottom-left corner. Below the corner, there are two columns of horizontal lines. The right column has a wavy line drawn between the first and second lines. At the bottom, there is a 2x15 grid.

A hand-drawn diagram on a grid background, similar to the first one. It shows a corner of a square with solid lines. A dashed line starts from the bottom-left corner and curves upwards and to the right, ending at a football. A dashed circle is drawn around the bottom-left corner. Below the corner, there are two columns of horizontal lines. The right column has a wavy line drawn between the first and second lines. At the bottom, there is a 2x15 grid.
